

[Moving Planet](#) is a worldwide rally to demand solutions to the climate crisis—a single day to move away from fossil fuels . For too long, our leaders have denied and delayed, compromised and caved. That era must come to an end.

The campaign wants to **inspire the world to rise to the challenge of the climate crisis** - to create a new sense of urgency and of possibility for our planet. On the **24th of September**

2011 everyone is invited to participate in one of the many events taking place worldwide

350.org takes a lead in the campaign. 350.org is an international campaign dedicated to building a movement to unite the world around solutions to the climate crisis
- the solutions that science and justice demand.

□

The theory of change is simple: if an international grassroots movement holds our leaders accountable to the latest climate science, we can start the global transformation we so desperately need.
