The drama and cultural group from Brikama organised a sketch on the theme: *«ignorance is not an excuse for violating children’s rights»*

. In the evening, the National Coordination organised a contest on the history of the AMWCY. There was as well a dancing, singing and general knowledge quiz; a beauty contest and a debate on child-related issues, particularly girls. Focusing on rapes girls are often subjected to, those who intervened called on the latter to dress properly, keep a watchful eye and denounce rape perpetrators.
